- Arthur Jordão, Ministry of Economy and Digital Transition – Portugal

- Located in Hungary (Budapest and Pécs)
- Focus on digital innovation and smart manufacturing
- Working with 200+ SMEs in multiple EU regions

DIGITBRAIN

DIHs contributing to EU recovery

Experience with DIHs in action during COVID19

- Short term impacts:
 - Immediate shock, reorganizing operation (incl new plans, home office, go digital)
 - Highly heterogeneous actions, needs and outcomes
 - Great internet infrastructure was an asset in Hungary thanks to government programs
- Medium term impact:
 - Adapt to the new reality – can it be considered as an opportunity?
 - Digital companies are much more resilient – modeling, scenario building etc.
 - Main question: what does Industry40, digitization exactly mean for the specific SME...
